16. Student Timetable Management App
17. College Campus Navigation App
18. Personal Health Tracker Application
19. Hostel Food Ordering App
20. Online Grocery Shopping App
21. Library Search and Borrowing App
22. Attendance Tracker for Students and Teachers

- 23. Fitness and Diet Planner Mobile App
- 24. Campus News and Updates App
- 25. College Notes Sharing App

AI and Machine Learning Projects

- 26. Fake News Detection System
- 27. Chatbot for College Enquiries
- 28. Personality Prediction Using Social Media Data
- 29. Student Performance Prediction System
- 30. Resume Screening Using AI
- 31. Sentiment Analysis on Twitter Data
- 32. Smart Attendance System Using Face Recognition
- 33. College Course Recommendation System
- 34. AI-Powered Study Material Finder
- 35. Spam Email Detection System

Database and Management System Projects

- 36. Library Management System
- 37. Hospital Management System
- 38. Inventory Management System
- 39. Blood Bank Management System
- 40. College Canteen Management System
- 41. Online Fee Payment System
- 42. Faculty and Staff Leave Management System
- 43. Crime Record Management System
- 44. Vehicle Rental Management System

45. Student Counseling Record System

IoT-Based Projects

46. IoT-Based Smart Attendance System

47. Home Automation Using IoT

48. Smart Parking System Using IoT

49. IoT-Based Weather Monitoring System

50. Waste Management System Using IoT

If you need 100+ titles, here's 50 more:

51. Employee Management System

52. Online Voting System

53. Crime Analysis and Mapping System

54. Online Hotel Booking System

55. File Sharing Application with Encryption

56. Learning Management System for Tutors

57. Smart Traffic Management System

58. Digital Resume Builder Platform

59. Online Auction System

60. Campus Security System Using RFID

61. Online Pharmacy Management System

62. Question Paper Generation System

63. Event Registration and Ticket Booking System

64. Virtual Classroom Application

65. Weather Forecasting System Using APIs

66. Online Grocery Delivery System

67. Railway Reservation Management System

68. Freelancing Platform for Students
69. Advanced File Management System
70. Online Voting System Using Blockchain
71. Traffic Violation Management System
72. E-Waste Collection System
73. Online Skill Development Portal
74. Home Tutor Finder Application
75. Cloud-Based File Sharing Application
76. Sports Management System for Colleges
77. AI-Powered Student Grading System
78. Healthcare Appointment Booking System
79. Chat Application with Secure Data Transfer
80. Tourism Management System
81. Virtual Lab for Science Experiments
82. Real-Time Bus Tracking System
83. Digital Payment Portal for Campus Needs
84. Visitor Management System for Colleges
85. Lost and Found Management System
86. QR Code-Based Attendance System
87. Inventory Management for College Stores
88. Multi-Language Learning Platform
89. Project Idea Suggestion System Using AI
90. Scholarship Application Portal
91. Donation Management System for NGOs
92. Online Vehicle Service Booking System
93. Cybersecurity Awareness Platform

- 94. Online Survey and Polling System
- 95. AI-Powered Virtual Assistant for Students
- 96. College Admission Portal
- 97. Advanced Payroll Management System
- 98. Secure File Storage Using Blockchain
- 99. Notes Management and Sharing Platform
- 100. Smart Complaint Registration Portal
